

JOIN US AT THE
MARCH AND RALLY
SATURDAY
18 OCTOBER

Let's increase Britain's pay packet, and see it shared more fairly.

Join us for a March and Rally in London on 18 October 2014, to help call for an economic recovery that works for all Britons, not just those right at the top.

Britain needs a pay rise!

We want:

- A properly enforced minimum wage.
- Higher wages from employers who can afford to pay.
- Increased commitment to the living wage.
- A crackdown on excessive executive pay.

Reserve a seat on the GMB Coach now departing from Halesowen.
